

FLUSH SIDE-MOUNT DEC **FOR HELM MASTER® EX**

Yamaha Introduces a Flush, Side-Mount Digital Electronic Control (DEC) for Helm Master® EX Systems

*More boats can now share the many
benefits of Helm Master EX*

The new flush, side-mount DEC control for the Helm Master EX system* is designed to bring the benefits of Helm Master EX to a broader array of boats. Smooth, precise and easy to install, the control gives boat builders and dealers more flexibility when rigging luxury pontoons, premium dual consoles and other single-engine craft where DEC is desired. Customers, likewise, will enjoy its ergonomic design, useful features and comfortable operation.

Suitable for use with all Yamaha DEC-capable outboards from 2.8-liter F150 up to the 5.6-liter XTO Offshore®. The new flush side-mount Helm Master EX DEC can be used from a basic Helm Master EX DEC system all the way up to the realm of advanced control and positioning options afforded by Helm Master EX Full Maneuverability for single outboard craft, in both single- and dual-station applications.

The Flush Side-Mount Helm Master® EX DEC Control is a product of Yamaha's **CommandBlue™** philosophy. CommandBlue represents Yamaha's commitment to move engineering development into the realm of the customer, ultimately delivering products that are easier to use and create greater satisfaction and confidence on the water.

FLUSH SIDE-MOUNT DEC FOR HELM MASTER® EX

YAMAHA MARINE
ENGINE SYSTEMS | HOT SHEET

BENEFITS INCLUDE:

- A sleek new look and premium feel with easy-to-read and engage single-function buttons
 - Speed Control, Station Select and Neutral Hold
 - Trim Assist function through CL5, CL7 or MFDI display
- Adjustable throttle friction with a positive neutral lock
- Second station compatibility
- EKS pushbutton ignition panel and wireless key fob compatibility
- Standard 64D keyed ignition switch compatibility
- Works as part of a separate DEC control system, as well as with Yamaha Digital Electric Steering (DES), Yamaha Autopilot and Full Maneuverability for single outboard craft (joystick)
- Seamless installation using only a 2.5-inch hole saw and plug-and-play connections. Same footprint and depth as current 6X7 Flush Side-Mount DEC means it will install everywhere 6X7 installed previously
- Built-in BPS Scan port for easy scanning and diagnosis

**Helm Master EX DECs will replace existing Yamaha DECs and Helm Master controls as inventory expires.*
