

# 2025 Yamaha 190/195 FSH Series

## 190 FSH<sup>®</sup> Sport, 195 FSH<sup>®</sup> Sport

### Overview

Introducing Yamaha's 190 and 195 FSH center console models, the affordable fusion of fishing prowess and family-friendly versatility. Designed with the perfect balance of Fish and Play attributes, these boats offer an exceptional experience for anglers and water sports enthusiasts alike. New for 2025 is factory-installed hardware to mount optional swim-up seats.

### Specifications

<b>General</b>	<b>Passengers:</b> 8	<b>Dry Weight:</b> 190 FSH 2,568 lbs
	<b>Weight:</b> 1,650 lbs	195 FSH 2,615 lbs
	<b>Total Storage:</b> 526 gal	
<b>Dimensions</b>	<b>Length:</b> 19 ft 5 in	<b>Draft:</b> 16 in
	<b>Beam:</b> 8 ft 2 in	<b>In Water Height:</b> 7 ft 11 in
	<b>Deadrise:</b> 18°	
<b>Engine</b>	<b>Name:</b> 190 FSH 1.9L HO 195 FSH 1.8L SVHO	<b>Cooling:</b> Open Loop
	<b>Type:</b> 4-cylinder, 4-stroke	<b>Fuel Grade:</b> Reg. Unl. 1.9L HO Premium 1.8L SVHO
	<b>Intake:</b> 1.9L HO Naturally Aspirated 1.8L SVHO Supercharged	<b>Fuel Capacity:</b> 40 gal
	<b>Horsepower:</b> 1.9L HO 200 hp 1.8L SVHO 250 hp	<b>Oil Capacity:</b> 3.7L
	<b>Displacement:</b> 1.9L HO 1898cc 1.8L SVHO 1812cc	<b>Pump Size:</b> 190 FSH 155mm 195 FSH 160mm
	<b>Construction:</b> Open Mold	<b>Material:</b> Fiberglass Reinforced Plastic (FRP)

## Yamaha Innovations and Technology

**Yamaha 1.9L HO Marine Engine:** This 1898cc, four-stroke, four-cylinder, 16-valve High Output marine engine is the largest displacement engine in a jet boat today. This powerful engine provides quick and smooth acceleration and class-leading top speed. (190 FSH Sport model)

**Patented Jet Drive System:** This advanced jet propulsion system utilizes an internal impeller rather than an external propeller. This design offers numerous advantages, such as shallow water operation, enhanced maneuverability, reduced maintenance, and the peace of mind of knowing that there is no lower unit or propeller at the stern of the boat.

**Patented Clean-Out Port:** Exclusive to Yamaha Boats, the patented clean-out port is a convenient way to remove debris that may get caught in the jet pump. This can help to prevent damage to the jet pump and keep it running smoothly. The clean-out port is located above water at the stern of the boat and is easy to access.

**Connex<sup>®</sup> Helm Control System:** Yamaha's award-winning Connex helm control system and touchscreen is the hub for entertainment functions, DRiVE<sup>®</sup> control, GPS mapping, and relevant boat system data when underway.

**Yamaha Articulating Keel:** This patented system extends the boat's keel and moves in perfect relation to the boat's jet pump nozzles to provide directional stability and maneuverability. Steering response is immediate. Straight-line tracking at all speeds is effortless, and cutting through chop is a breeze. Drivers enjoy maximum control while maneuvering at low speeds.

**Quiet Cruise Noise Reduction System:** This system of features works together to reduce vibration noise levels in Yamaha boats. These features include engine compartment insulation, hull insulation, and jet pump and exhaust system design.

**Lifetime Structural Limited Warranty** — Yamaha warrants the hull and deck of all new Yamaha boats against major structural defects in material or workmanship for the lifetime of ownership of the first retail owner. The structural limited warranty can be transferred to a second retail owner during the first 10 years after the date of original purchase by the original retail owner.

## 195 FSH Sport

### Cockpit & Bow

- Dedicated Anchor and Rope Locker
- Chrome Cup Holders
- Insulated Fish Box
- Snap-in Seat Cushions
- Bow Platform Storage
- Storage Pod (with Plano tackle boxes)
- (2) Integrated Storage Pod Rod/Cup Holder
- Front Console Seat
- Lockable Console Compartment/Changing Area with Light and Curtain
- (2) Courtesy Lights
- Removable Acrylic Windshield
- Lockable Helm Glove Box
- Stainless Steel Steering Wheel with Knob
- Tilt Steering
- (6) Side Console Rod Storage
- (6) Gunwale Rod Storage
- (4) Horizontal Rod Storage
- (4) T-Top Rod Holders
- Leaning Post with Convertible Backrest
- Cooler with Storage Under Leaning Post
- Jump Seats with Removable Backrests
- Gunwale Padding
- Slip-Resistant/Easy-Clean Floor
- Snap-in Teak-Style MarineMat Flooring
- Cockpit Drainage System (CDS)
- Stainless Steel Corrosion Resistant Hardware
- Adjustable Captain's Chair with Flip-up Bolster

### Stern

- Integrated Swim Platform
- Upholstered Cushioned Backrests
- Dedicated 5-gallon Bucket Storage
- Stainless Steel Telescopic Reboarding Ladder
- Stern (Wet) Storage
- Stern Livewell (25 gal, aerated)

### Technical

- 5" Connex with Touchscreen Display
- Jensen® Marine Stereo with Bluetooth®, USB & AUX
- 12V Outlet
- (2) Marine Speakers
- 3-Position No Wake Mode Control
- Cruise Assist
- Compass (in-dash, analog)
- Fuel Management System
- Dual Battery Setup
- Rack and Pinion Steering
- Articulating Keel System
- Electric Raw Water Washdown System
- Custom Trolling Motor Mount
- Hour Meter
- Warnings (voltage, fuel, and overheat)
- Reverse RPM Control
- Quiet Cruise Technology

### Exterior

- Stainless Steel Rub Rail
- (5) Flush Mount Pop-up Cleats
- Tow Hook
- T-top With Removable Canvas and Rod Holders (4)

## Award-Winning Customer Service

Yamaha WaterCraft has won more National Marine Manufacturers Association's (NMMA®) Customer Service Index Awards in the Personal Watercraft and Jet Boat categories than any other brand in the 20-year history of the prestigious honor. This award, based on customer surveys, is a testament to Yamaha's commitment to providing the best customer service in the powersports and marine industry.
