

2025 Yamaha 190/195 Series

SX190, AR190, SX195, AR195, 195S

Overview

Introducing Yamaha's affordable 19-foot sport boats, where spaciousness meets affordability without compromise. These boats redefine the notion that size and comfort come at a high price. Designed with a focus on maximizing interior roominess, these 19-foot sport boats offer ample space for both passengers and gear, ensuring everyone can stretch out and enjoy the ride. With their lightweight construction and streamlined design, these boats can be easily towed behind a mid-sized SUV, and their compact footprint allows for hassle-free storage, fitting into standard-size garages. New for 2025 is factory-installed hardware to mount optional swim-up seats. New for 2025 is factory-installed hardware to mount optional swim-up seats.

Specifications

General	Passengers: 8	Dry Weight: SX190 2,370 lbs
	Weight: 1,600 lbs	AR190 2,434 lbs
	Total Storage: 422 gal	SX195 2,434 lbs
		AR195 2,500 lbs
		195S 2,509 lbs
Dimensions	Length: 19 ft 5 in	In Water Height: SX190 4 ft 2 in
	Beam: 8 ft 2 in	AR190 7 ft 6 in
	Deadrise: 18°	SX195 4 ft 2 in
	Draft: 15 in	AR195 7 ft 6 in
		195S 7 ft 6 in
Engine	Name: 1.9L HO Marine Engine (190) 1.8L SVHO Marine Engine (195)	Cooling: Open Loop
	Type: 4-cylinder, 4-stroke	Fuel Grade: Reg Unl 1.9L HO Premium 1.8L SVHO
	Intake: 1.9L HO Naturally Aspirated 1.8L SVHO Supercharged	Fuel Capacity: 40 gal
	Horsepower: 1.9L HO 200 hp 1.8L SVHO 250 hp	Oil Capacity: 3.7L
	Displacement: 1.9L HO 1898cc 1.8L SVHO 1812cc	Pump Size: HO 155mm SVHO 160mm
		Impeller: 3-Blade, Stainless Steel
Hull	Construction: Open Mold	Material: Fiberglass Reinforced Plastic (FRP)

Yamaha Innovations and Technology

Yamaha 1.9L HO Marine Engine: This 1898cc, four-stroke, four-cylinder, 16-valve High Output marine engine is the largest displacement engine in a jet boat today. This powerful engine provides quick and smooth acceleration and class-leading top speed. (SX190 and AR190 models)

Patented Jet Drive System: Yamaha's renowned internal propulsion system is the gold standard in the boating industry, making Yamaha boats more fun to drive (nimble handling and instant acceleration), easy to maintain (no water pump or fluids needed), and extraordinarily versatile because Yamaha's jet pump impeller is protected inside the hull, eliminating the need for an exposed lower unit or propeller. The result is a shallow draft unmatched in its class, allowing access to shallow waters that other brands cannot enter.

Patented Clean-Out Port: Exclusive to Yamaha Boats, the patented clean-out port is a convenient way to remove debris that may get caught in the jet pump. This can help to prevent damage to the jet pump and keep it running smoothly. The clean-out port is located above water at the stern of the boat and is easy to access.

Connex[®] Helm Control System: Yamaha's award-winning Connex helm control system and touchscreen is the hub for entertainment functions, DRiVE[®] control, GPS mapping, and relevant boat system data when underway.

Yamaha Articulating Keel: This patented system extends the boat's keel and moves in perfect relation to the boat's jet pump nozzles to provide directional stability and maneuverability. Steering response is immediate. Straight-line tracking at all speeds is effortless, and cutting through chop is a breeze. Drivers enjoy maximum control while maneuvering at low speeds.

Quiet Cruise Noise Reduction System: This system of features works together to reduce vibration noise levels in Yamaha boats. These features include engine compartment insulation, hull insulation, and jet pump and exhaust system design.

Lifetime Structural Limited Warranty — Yamaha warrants the hull and deck of all new Yamaha boats against major structural defects in material or workmanship for the lifetime of ownership of the first retail owner. The structural limited warranty can be transferred to a second retail owner during the first 10 years after the date of original purchase by the original retail owner.

195S

Cockpit & Bow

- Snap-in Teak-style MarineMat™
- Ski Locker
- Removable Dinette Table with Pedestal
- Bow Filler Inserts for Multiple Seating Configurations
- Hinged Seat Cushions
- Chrome Integrated Drink Holders
- Tilt Steering
- Adjustable Captain's Chair with Flip-up Bolster
- Passenger-side Captain's Chair
- Glove Box
- Integrated Removable Cooler
- Docking Lights
- Courtesy Deck Lighting
- Dedicated Anchor and Rope Locker
- Upgraded Aluminum Handles & Accents
- Cockpit Drainage System (CDS)

Stern

- Integrated Swim Platform
- Upholstered Cushioned Backrests
- Stainless Steel Telescopic Reboarding Ladder
- Marine-Grade Mat
- Stern (Wet) Storage

Technical

- 7" Connex with Touchscreen with Maps
- Custom Fit Smartphone Holder
- Boat Wellness Function Display
- Hertz® Marine Stereo
- Bluetooth® Capability
- AUX Input
- 12V Outlet
- (4) Polk® Marine Speakers
- 3-Position No Wake Mode Control
- Compass
- Depth Finder
- Water Temperature
- Electronic Speedometer
- Fuel Management System
- Rack & Pinion Steering
- USB Charging Ports
- Stern Stereo Remote

Exterior

- Aluminum Folding Wakeboard Tower with Tow Point
- Windshield Mirror
- (6) Pop-Up Stainless Steel Cleats
- Tow Hook
- Bimini Top
- Quiet Cruise Technology
- Articulating Keel System

Award-Winning Customer Service

Yamaha WaterCraft has won more National Marine Manufacturers Association's (NMMA®) Customer Service Index Awards in the Personal Watercraft and Jet Boat categories than any other brand in the 20-year history of the prestigious honor. This award, based on customer surveys, is a testament to Yamaha's commitment to providing the best customer service in the powersports and marine industry.
