

# 2025 Yamaha 220/222 FSH Series

220 FSH<sup>®</sup> Sport, 222 FSH<sup>®</sup> Sport, 222 FSH<sup>®</sup> Sport E

## Overview

Introducing Yamaha's 220 and 222 FSH center console boats, a great option for anglers and boaters who want a versatile and capable boat that can handle a variety of activities. These 22-foot boats are powered by Yamaha's reliable and powerful marine engines, and they offer a comfortable and spacious layout with plenty of storage space. The FSH boats also come standard with a variety of features that make them ideal for fishing, including a 26-gallon livewell, insulated fish box, and plenty of rod storage.

## Specifications

<b>General</b>	<b>Passengers:</b> 10	<b>Dry Weight:</b>	
	<b>Weight:</b> 2,200 lbs	220 FSH SPT	3,325 lbs
	<b>Total Storage:</b> 718 gal	222 FSH Sport	3,620 lbs
		222 FSH Sport E	3,763 lbs
<b>Dimensions</b>	<b>Length:</b> 22 ft	<b>Draft:</b>	19 in
	<b>Beam:</b> 8 ft 6 in	<b>In Water Height:</b>	9 ft
	<b>Deadrise:</b> 20°		
<b>Engine</b>	<b>Name:</b> TR-1 <sup>®</sup> HO engine (2) 1.9L HO engine (2)	<b>Cooling:</b>	Open Loop
	<b>Type:</b> 3-cylinder, four-stroke 4-cylinder, 4-stroke	<b>Fuel Grade:</b>	Regular Unleaded
	<b>Intake:</b> Naturally Aspirated	<b>Fuel Capacity:</b>	75 gal
	<b>Horsepower:</b> TR-1 HO 230 hp (combined) 1.9L HO 400 hp (combined)	<b>Oil Capacity:</b>	3.4L TR-1 HO 3.7L 1.9L HO
	<b>Displacement:</b> TR-1 HO 1049cc 1.9L HO 1898cc	<b>Pump Size:</b>	155mm
		<b>Impeller:</b>	4-Blade Stainless Steel
<b>Hull</b>	<b>Construction:</b> Open Mold	<b>Material:</b>	Fiberglass Reinforced Plastic (FRP)

## Yamaha Innovations and Technology

**Yamaha 1.9L HO Marine Engine:** This 1898cc, four-stroke, four-cylinder, 16-valve High Output marine engine is the largest displacement engine in a jet boat today. This powerful engine provides quick and smooth acceleration and class-leading top speed.

**Helm Wireless Charging:** Convenient wireless charging stations integrated into the Yamaha 22-foot center console boats allow you to effortlessly charge compatible devices without the hassle of cords and cables.

**Patented Jet Drive System:** This advanced jet propulsion system utilizes an internal impeller rather than an external propeller. This design offers numerous advantages, such as shallow water operation, enhanced maneuverability, reduced maintenance, and the peace of mind of knowing that there is no lower unit or propeller at the stern of the boat.

**Patented Clean-Out Ports:** Exclusive to Yamaha Boats, the patented clean-out ports is a convenient way to remove debris that may get caught in the jet pump. This can help to prevent damage to the jet pump and keep it running smoothly. The clean-out ports are located above water at the stern of the boat and are easy to access.

**Connex<sup>®</sup> Helm Control System:** Yamaha's award-winning Connex helm control system and touchscreen is the hub for entertainment functions, DRiVE<sup>®</sup> control, GPS mapping, and relevant boat system data when underway.

**Yamaha Articulating Keel:** This patented system extends the boat's keel and moves in perfect relation to the boat's jet pump nozzles to provide directional stability and maneuverability. Steering response is immediate. Straight-line tracking at all speeds is effortless, and cutting through chop is a breeze. Drivers enjoy maximum control while maneuvering at low speeds.

**Quiet Cruise Noise Reduction System:** A system of features that work together to reduce vibration noise levels in Yamaha boats. These features include engine compartment insulation, hull insulation, and jet pump and exhaust system design.

**Lifetime Structural Limited Warranty** — Yamaha warrants the hull and deck of all new Yamaha boats against major structural defects in material or workmanship for the lifetime of ownership of the first retail owner. The structural limited warranty can be transferred to a second retail owner during the first 10 years after the date of original purchase by the original retail owner.

**Cockpit & Bow**

- Dedicated Anchor and Rope Locker
- Chrome Cup Holders
- Insulated Fish Box
- Bow Seating w/Storage
- Snap-in Bow Seat Cushion(s)
- Upgraded Upholstery
- Bow Filler Platform/Table with Dedicated storage
- Storage Pod
- (4) Integrated Storage Pod Rod/Cup Holder
- In-floor storage with Dedicated Space for a 5-gallon Bucket
- Front Console Seat
- Lockable Console Compartment/Changing Area with Light and Curtain
- (2) Courtesy Lights
- (2) Spreader Light (Hardtop)
- (1) Map lights red (Hardtop)
- Removable Acrylic Windshield
- Fixed Phone Holder w/wireless charging
- Lockable Helm Glove Box
- Stainless Steel Steering Wheel with Knob
- Tilt Steering
- (6) Side Console Rod Storage
- (6) Gunwale Rod Storage
- (8) Horizontal Rod Storage
- (4) T-Top Rod Holders
- Folding Leaning Post
- Cooler with Storage Under Leaning Post
- Folding Jump Seats w/removable backrests
- Upholstered Gunwale Padding
- Slip-Resistant/Easy-Clean Floor
- Snap-in Teak-Style MarineMat Flooring
- Cockpit Drainage System (CDS)
- Stainless Steel Corrosion Resistant Hardware

**Stern**

- Integrated Swim Platform
- Upholstered Cushioned Backrests
- Stern (Wet) Storage
- Table and Grill Mount
- Stern Livewell (26 gal Aerated)
- (2) Chrome Integrated Drink Holders
- Stern Stereo Remote
- Underwater Lights
- Stainless Steel Telescopic Reboarding Ladder

**Technical**

- 5" Connex with Touchscreen Display
- 9" Simrad® Electronics Touchscreen Display
- Hertz Marine Stereo with Bluetooth®, USB & AUX
- 12V Outlet
- (6) Marine Speakers
- Push Button Start/Stop
- Throttle-by Wire Technology
- Yamaha Drive Control
- 3-Position No Wake Mode Control
- Cruise Assist
- Compass (in-dash, analog)
- Water Temperature
- Depth Finder
- Fuel Management System
- Dual Battery Setup
- Rack and Pinion Steering
- Articulating Keel System
- Custom Trolling Motor Mount
- Through-hull Transducer
- Hour Meter

- Warnings (voltage, fuel, and overheat)
- Reverse RPM Control
- Quiet Cruise Technology
- Electric Raw Water Washdown System

#### **Exterior**

- Stainless Steel Rub Rail
- (7) Chrome Plated Flush Mount Pop-up Cleats
- Stainless Steel Horn on Deck Bow
- Stainless Steel Navigation Lights on Deck
- Tow Hook
- (5) Hard T-top with Rod Holders

### **222 FSH Sport**

#### **Cockpit & Bow**

- Dedicated Anchor and Rope Locker
- Chrome Cup Holders
- Insulated Fish Box
- Bow Seating with Storage
- Snap-in Bow Seat Cushion(s)
- Storage Pod
- (4) Integrated Storage Pod Rod/Cup Holder
- In-floor Storage with Dedicated Space for a 5-gallon Bucket
- Front Console Seat
- Lockable Console Compartment/Changing Area with Light and Curtain
- (2) Courtesy Lights
- Removable Acrylic Windshield
- Fixed Phone Holder with Wireless Charging
- Lockable Helm Glove Box
- Stainless Steel Steering Wheel w/knob
- Tilt Steering
- (6) Side Console Rod Storage
- (6) Gunwale Rod Storage
- (8) Horizontal Rod Storage
- (4) T-Top Rod Holders
- Folding Leaning Post
- Cooler with Storage Under Leaning Post
- Folding Jump Seats w/removable backrests
- Gunwale Padding
- Slip-Resistant/Easy-Clean Floor
- Snap-in Teak-Style MarineMat Flooring
- Cockpit Drainage System (CDS)
- Stainless Steel Corrosion Resistant Hardware

#### **Stern**

- Integrated Swim Platform
- Upholstered Cushioned Backrests
- Stern (Wet) Storage
- Table and Grill Mount
- Stern Livewell (26 gal, aerated)
- (2) Chrome Integrated Drink Holders
- Stainless Steel Telescopic Reboarding Ladder

#### **Technical**

- 5" Connex with Touchscreen Display
- Jensen® Marine Stereo with Bluetooth®, USB & AUX
- 12V Outlet
- (4) Marine Speakers
- 3-Position No Wake Mode Control
- Cruise Assist
- Compass (in-dash, analog)
- Water Temperature
- Depth Finder
- Fuel Management System
- Dual Battery Setup
- Rack and Pinion Steering

- Articulating Keel System
- Custom Trolling Motor Mount

**Award-Winning Customer Service**

Yamaha WaterCraft has won more National Marine Manufacturers Association's (NMMA®) Customer Service Index Awards in the Personal Watercraft and Jet Boat categories than any other brand in the 20-year history of the prestigious honor. This award, based on customer surveys, is a testament to Yamaha's commitment to providing the best customer service in the powersports and marine industry.
