

2025 Yamaha 220/222 Series

SX220, AR220, 222S, 222SE, 222SD

Overview

Introducing Yamaha's 22-foot sport boats, the ultimate definition of spaciousness, performance, and value in their class. These boats have been meticulously crafted to provide an exceptional level of roominess, ensuring a comfortable and luxurious experience for all on board. Among the 22-foot models, the 222 Series stands out with its premium appointments, showcasing Yamaha's commitment to quality and refinement. Additionally, the 222SD model takes convenience to new heights with Yamaha's exclusive DRiVE® paddle controls, allowing the driver to effortlessly switch between forward and reverse without ever taking their hands off the steering wheel.

Specifications

General	Passengers: 10	In Water Height: SX220 4 ft 10 in
	Weight: 2,200 lbs	AR220 7 ft 7 in
	Total Storage: 502 gal	222S 7 ft 7 in
		222SE 7 ft 7 in
		222SD 7 ft 7 in
Dimensions	Length: 22 ft	Dry Weight: SX220 3,457 lbs
	Beam: 8 ft 6 in	AR220 3,538 lbs
	Deadrise: 20°	222S 3,779 lbs
	Draft: 19 in	222SE 3,982 lbs
		222SD 4,041 lbs
Engine	Name: TR-1® HO Marine Engine (2) (220) 1.9L HO Marine Engine (2) (222)	Cooling: Open Loop
	Type: TR-1 HO 3-cylinder, 4-stroke 1.9L HO 4-cylinder, 4-stroke	Fuel Grade: Regular Unleaded
		Fuel Capacity: 70 gal
	Intake: Naturally Aspirated	Oil Capacity: 3.4L TR-1 HO 3.7L 1.9L HO
	Horsepower: TR-1 HO 230 hp (combined) 1.9L HO 400 hp (combined)	Pump Size: 155mm
	Displacement: TR-1 HO 1049cc 1.9L HO 1898cc	Impeller: 4-Blade, Stainless Steel
Hull	Construction: Open Molded	Material: Fiberglass Reinforced Plastic (FRP)

Yamaha Innovations and Technology

Yamaha 1.9L HO Marine Engine: This 1898cc, four-stroke, four-cylinder, 16-valve High Output marine engine is the largest displacement engine in a jet boat today. This powerful engine provides quick and smooth acceleration and class-leading top speed.

Chil™-Cool Technology® for Upholstery: In addition to looking great, the Chil Cool fabric also feels great, reducing the surface temperature and dissipating heat much quicker than standard vinyl. (Available on select models only or color combinations)

DRiVE Dual Throttle Paddle Controls: Allows the operator to maneuver these 22-foot boats forward and aft precisely around docks, launch ramps, and other tight, congested spaces while always keeping your hands on the steering wheel.

Patented Jet Drive System: Yamaha's renowned internal propulsion system is the gold standard in the boating industry, making Yamaha boats more fun to drive with their nimble handling and instant acceleration, and extraordinarily versatile because Yamaha's jet pump impeller is protected inside the hull, eliminating the need for an exposed lower unit or propeller. The result is a shallow draft unmatched in its class, allowing access to shallow waters that other brands cannot enter.

Patented Clean-Out Ports: Exclusive to Yamaha Boats, the patented clean-out ports are a convenient way to remove debris that may get caught in the jet pump. This can help to prevent damage to the jet pump and keep it running smoothly. The clean-out ports are located above water at the stern of the boat and are easy to access.

Connex™ Helm Control System: Yamaha's award-winning Connex helm control system and touchscreen is the hub for entertainment functions, Drive Control, GPS mapping, and relevant boat system data when underway.

Helm and Portside Wireless Charging: Convenient wireless charging stations integrated into the Yamaha 22-foot sport boats, allowing you to effortlessly charge compatible devices without the hassle of cords and cables.

Swim-Up Seating: 222 Series models come standard with two removable swim-up stern seats that attach to the stern slightly below the water's surface, providing comfortable in-water seating.

Yamaha Articulating Keel: This patented system extends the boat's keel and moves in perfect relation to the boat's jet pump nozzles to provide directional stability and maneuverability. Steering response is immediate. Straight-line tracking at all speeds is effortless, and cutting through chop is a breeze. Drivers enjoy maximum control while maneuvering at low speeds.

Quiet Cruise Noise Reduction System: This system of features works together to reduce vibration noise levels in Yamaha boats. These features include engine compartment insulation, hull insulation, and jet pump and exhaust system design.

Lifetime Structural Limited Warranty – Yamaha warrants the hull and deck of all new Yamaha boats against major structural defects in material or workmanship for the lifetime of ownership of the first retail owner. The structural limited warranty can be transferred to a second retail owner during the first 10 years after the date of original purchase by the original retail owner.

Cockpit & Bow

- Snap-in Teak-style MarineMat™
- Chil-Cool Vinyl Upholstery
- Ski Locker
- Removable Dinette Table with Pedestal
- Bow Filler Inserts for Multiple Seating Configurations
- Hinged Seat Cushions
- Chrome Integrated Drink Holders
- Tilt Steering
- Upgraded Steering Wheel
- Adjustable Captain's Chair with Flip-up Bolster
- Passenger-side Captain's Chair
- Portside Entertainment Area
- Lockable Glove Box
- Walk-through Bow Door
- Integrated Removable Cooler
- Docking Lights
- Courtesy Deck Lighting
- Dedicated Anchor and Rope Locker
- Bow Reboarding Ladder
- Upgraded Aluminum Handles & Accents
- Cockpit Drainage System (CDS)
- LED Accent Lighting

Stern

- Integrated Swim Platform
- Upholstered Cushioned Seats
- Upholstered Cushioned Backrests with Storage
- 12-volt Outlet
- Stainless Steel Telescopic Reboarding Ladder
- Dinette Table Mount
- Marine-Grade Mat
- Stern (Wet) Storage
- Swim-up Seating

Technical

- DRiVE Dual Throttle Paddle Controls (forward, reverse)
- 12.3" Connex with Touchscreen (maps & joystick)
- Custom Fit Smartphone Holder with Wireless Charging
- Yamaha Drive Control
- Boat Wellness Function Display
- Throttle by Wire Technology
- Push Button Start/Stop
- Blue LED Helm Switch Panels
- Premium Marine Stereo
- Portside Wireless Charging
- (2) USB Charge Ports
- AUX Outlet
- 12V Outlet
- (6) Wet Sounds Marine Speakers
- Stern Stereo Remote
- Stern Speakers
- 3-Position No Wake Mode Control
- Cruise Assist
- Compass
- Depth Finder
- Water Temperature
- Electronic Speedometer
- Fuel Management System
- Dual Battery Setup
- Electric Power Steering (EPS)
- Quiet Cruise Technology
- Articulating Keel System

Exterior

- Stainless Steel Bow Rails
- (6) Pop-Up Stainless Steel Cleats
- Tow Hook
- Bimini Top
- Aluminum Folding Wakeboard Tower with Tow Point
- Windshield Mirror

Award-Winning Customer Service

Yamaha WaterCraft has won more National Marine Manufacturers Association's (NMMA®) Customer Service Index Awards in the Personal Watercraft and Jet Boat categories than any other brand in the 20-year history of the prestigious honor. This award is based on customer surveys and is a testament to Yamaha's commitment to providing the best customer service in the powersports and marine industry.
