

2025 Yamaha SuperJet®

Overview

Introducing the Yamaha SuperJet stand-up WaveRunner®, an icon in the world of personal watercraft for more than 30 years. Powered by Yamaha's three-cylinder, four-stroke TR-1® marine engine, the SuperJet returns to challenge the next generation of standup riders with its agile maneuverability and precise handling. It's the go-to choice for riders who want a physically challenging, athletic experience and demand the best. The Yamaha SuperJet is 142 lbs lighter and 9 inches shorter than the competition to deliver the exhilarating ride that's made the SuperJet world famous for three decades.

	Intake: Naturally Aspirated	Impeller:	3-Blade, Stainless Steel
	Cooling: Open Loop		
Hull	Construction: High-Compression Molded	Material:	Sheet Molded Compound (SMC)

Yamaha Innovations and Technology

Yamaha TR-1 Marine Engine: This powerful, compact, and lightweight three-cylinder, four-stroke engine delivers exhilarating acceleration throughout the engine RPM range. The torquey 100-horsepower TR-1 motor is the most powerful engine in the Rec Lite category.

Three-Position Adjustable Handlepole: Adjustable handlepole that can extend up to 50mm in length with race-inspired handlebars.

Learning Mode: When L-Mode is activated, the top speed of the SuperJet will be limited to around 45 mph. The acceleration will also be slower, making it easier for novice riders to control the WaveRunner.

SuperJet	<ul style="list-style-type: none"> ● Fuel Gauge ● L-Mode (Learner Mode) ● 3-Position Adjustable Handlepole ● Reboarding Holder ● Automatic Bilge ● Two-Tone Deck Mats ● Maintenance-free Battery

Award-Winning Customer Service

Yamaha WaterCraft has won more National Marine Manufacturers Association's (NMMA®) Customer Service Index Awards in the Personal Watercraft and Jet Boat categories than any other brand in the 20-year history of the prestigious honor. This award is based on customer surveys and is a testament to Yamaha's commitment to providing the best customer service in the powersports and marine industry.
